

Support for life's big decisions.

Our nurses have in-depth knowledge and experience in these fields:

Musculoskeletal

- Low back pain
- Hip replacement
- Knee replacement

Heart disease

- Angina

Weight management

- Obesity

Men's health

- Benign prostatic hypertrophy
- Prostate cancer

Women's health

- Breast cancer
- Abnormal uterine bleeding
- Endometriosis
- Fibroids

Some decisions are easy to make. But when you're facing an important health decision, it's not always easy to know where to turn or what options are available. We're here to help. Best of all, this service is available at no additional cost as part of your benefit plan.

Our registered nurses are here to help you:

- Find resources you may not be aware of today
- Learn more about a diagnosis
- Schedule a second opinion
- Understand treatment options
- Know what to expect from surgery and prepare for surgery
- Estimate treatment costs
- Work more effectively with your doctor

We'll help you find the care that's right for you. Call us today.

Treatment Decision Support

1-855-583-3165

TTY callers, please call 711 and ask for the number above. Nurses are available Monday through Friday, 7 a.m. to 10 p.m. Central time.

For informational purposes only. The nurses and other program representatives cannot diagnose problems or recommend specific treatment and are not a substitute for your doctor's care. This service should not be used for emergency or urgent care situations. In an emergency, call 911 or go to the nearest emergency room.
